

President's Turn

August 2010

I would like to take this opportunity to thank everybody that attended the August meeting (and / or the daytime demonstration). From the feedback that I received from the people that attended the meetings, everybody seemed to have enjoyed the demonstration. Since I had to work, I was one of the unfortunate ones that didn't get to attend the daytime demonstration. Thanks to Charlie Shrum for arranging the demonstration day and providing the food and drinks. Hopefully, our club will be able to host additional guest turners and maybe do a couple more daytime demonstrations.

For September, we have Ron Browning as our presenter. As Ron informed us at our August meeting, it is time to register for the Florida Woodturning Symposium. This is a great opportunity to attend hands on seminars as well as attend some great demonstrations. If you are interested in the Florida Woodturning Symposium, visit their website at:

www.floridawoodturningsymposium.com

The symposium is scheduled for February 4th through the 6th.

Our next meeting will be September 15th, I hope to see everybody there.

Happy Turning!

Troy
